HETSA LIVES;

PRELIMINARY NOTICE OF CONFERENCE

THE FOURTH BIENNIAL CONFERENCE  
OF  
THE HISTORY OF ECONOMIC THOUGHT SOCIETY  
OF AUSTRALIA

WILL BE HELD AT

THE UNIVERSITY OF NEWCASTLE

THURSDAY 14, TO SUNDAY 17, MAY 1987

Organising Secretary:

Dr. Allen Oakley

Accommodation and Sustenance

Arrangements have been made for on-campus accommodation in the students' residence, Edwards Hall. It is estimated that the inclusive cost of registration, accommodation, Conference dinner, all other meals and morning and afternoon 'teas' from Thursday dinner to Sunday lunch inclusive will be around \$180. A detailed breakdown of the final costs will be notified in due course.

For those who prefer hotel or motel accommodation, this will be available and details will be given later as well. The cost will be greater than for Edwards Hall and transport to and from the University may be more complicated.

Sessions and Papers

Papers will be presented in the 'single-session' format of previous HETSA conferences. The sessions will run from Friday to Sunday morning inclusive. Should papers be offered in greater numbers than in the past, concurrent sessions will be considered. Both fully prepared papers and reports on work in progress will be catered for in the sessions.

Special Guest

It is anticipated that our special guest for the Conference will be Professor A. W. (Bob) Coats, Research Professor of Economics, Duke University and Emeritus Professor of Economic and Social History, University of Nottingham. Several other overseas scholars have also indicated their interest in attending.

MAILING LIST

Final details of the Conference and registration forms will be sent to all those who register their interest in the conference with me by filling out the form attached to this notice.

CALL FOR PAPERS

Anyone who anticipates presenting a paper or a working paper at the Conference should provide me with a title and a short abstract as soon as possible, but no later than 31. December 1986. Papers notified after 31. December may not be able to be included in the programme. Further requirements for the delivery of completed papers will be circulated in due course.
